## INFINITE POSSIBILITIES FOR YOUR FLOOR

*Zandur's line of true green cork rubber flooring is now available in multiple tile sizes. Mix and match square or plank cuts and customize your space with nearly limitless design flexibility.*

*This high performance material is more comfortable, quiet, and green than any other standard rubber flooring on the market today and is available in 48 standard colors. Alturas Cork Rubber meets the requirements of numerous LEED credits due to its high levels of recycled and renewable content.*

*For samples or additional information on Alturas Cork Rubber or other environmentally friendly products, contact Zandur at 888.397.2656 or refer to [www.zandur.com](http://www.zandur.com) for your local Zandur sales representative.*
